## Co-Founders Honored with Governor's Trailblazer Award

May 2014

### Award for Women in Business

On April 9, 2014, Phyllis Mensch Brostoff and Valerie A. Stefanich, co-founders and co-owners of Stowell Associates, received the Governor's Trailblazer Award for Women in Business for starting and sustaining a business at a time when there were few resources and role models for women to do so.

Now in its 31st year of business, Stowell Associates has become nationally recognized for excellence in care managed homecare services.

The agency employs close to 200 people.

Stefanich immigrated to this country 50 years ago from England. She said that "the opportunity I had to grow a successful business would simply not have been available to me if I had not moved to the U.S." Both Brostoff and Stefanich are proud to have built their agency based on the ethics and values of the social work profession.

The agency established the Stowell Associates Care Management Scholarship Fund at UW-Milwaukee to honor its 30th anniversary. All contributions to the fund are gratefully accepted at <http://givetouwm.uwmfdn.org>
