Training the Next Generation of Care Managers

August 2014

We are proud and pleased to announce that Kelly Hagerty is the first recipient of the Stowell Associates Scholarship Fund for Care Management. The scholarship is funded through the University of Wisconsin-Milwaukee Foundation. It is awarded annually to benefit either a social work or nursing student who plans to specialize in care management.

Kelly begins a [Master of Social Work program at UWM](#) this fall. As an undergraduate, Kelly demonstrated a strong work ethic, maintaining a high grade point while working at a long term care facility and also fulfilling the field work

required for her degree. Kelly plans to specialize in geriatrics. Her field placement will be in a hospital and she will also continue to work in the same long term care facility.

Kelly's academic choices so far demonstrate her strong interest in the fields of aging and disability. Her graduate studies and planned work experience in a hospital and nursing home will further prepare her for a position in care management. We are happy to support Kelly in her goal to make significant and lasting contributions to the aging and disabled populations and to the social work profession and community.

If you would like to support Kelly's goals and Stowell Associates' commitment, please consider making a contribution to the Stowell Associates Scholarship Fund for Care Management. To learn more, please visit www.caremanagedhomecare.com.

Since 1983 improving the quality of the day to day lives of our clients and their families in ways both small and large. Nationally Accredited by the Joint Commission.
